

## WE ARE HIRING

### MARKETING INTERN / WORKING STUDENT (M/F/D)

Are you a creative and driven individual seeking to kickstart your career in marketing through a mandatory internship or as a working student as part of your academic program? Replique, a fast-growing start-up in the 3D printing industry, is looking for you to join our dynamic team and make a significant impact on our marketing efforts.

#### About Replique:

At Replique, we are transforming traditional supply chains with our on-demand 3D printing platform for Original Equipment Manufacturers (OEMs). Our secure platform allows customers to get parts produced anytime, anywhere, in the right quality and quantity.

This addresses current supply chain challenges such as high inventory costs, large minimum order quantities, and long lead times, while promoting sustainability with reduced CO2 emissions, higher material efficiency, less waste, and extended product lifespans with the ability to provide spare parts anytime. Our customers include renowned OEMs such as Miele, Alstom, MAN, and many more you most probably know. Our company is located near Mannheim Central Station, at Mafinex.

#### Your Responsibilities:

You will play a vital role in supporting our marketing initiatives and have the chance to take the lead in an own project:

- Develop engaging content for LinkedIn, blog posts, newsletters, and other communication channels
- Educate our audience with explanatory videos and articles
- Support the organization and promotion of events, webinars, and trade shows
- Conduct market research to identify trends, target audiences, and competitor strategies
- Work on your own project, coordinate with strategic partners and bring its growth forward
- Support in marketing campaigns to promote our solution
